**Subject:** Proposed TEP rate hike (UNCLASSIFIED)

Classification: UNCLASSIFIED

Caveats: NONE

Please do not approve a rate hike of any amount for TEP, or any other AZ corporation. We, the people, must live WITHIN our budgets; we don't get a Pay Increase to offset their Rate Increase!!!! The cost of everything is sky-rocketing, and we can no longer afford it. You want to see more people getting food stamps, welfare, and foreclosures? Well, if the rates increase, you WILL. We can't turn to any governing body and say "rate-hike our paychecks"! No. We have to live within our means and find ways to cut our costs. These corporations need to cut their costs, live WITHIN their budgets, eliminate waste, improve their efficiency, and find CHEAPER alternatives for our homes such as wind and solar energy systems.
